Vehicle Entry Passes

Your colored coded vehicle entry pass is enclosed and must be displayed on your windshield. This is to help with traffic movement (see image at right). Being aware of your route and having your pass visible to flaggers will help keep traffic flowing.

Extra Vehicle Passes

The only overnight Festival parking is at campsites. Every vehicle entering the Festival camping area must have an extra vehicle pass, there are no exceptions to this rule. Two motorcycles may park in one space. **Additional passes (limit 2) must be purchased in advance**—call the Box Office at **541-345-9263**.

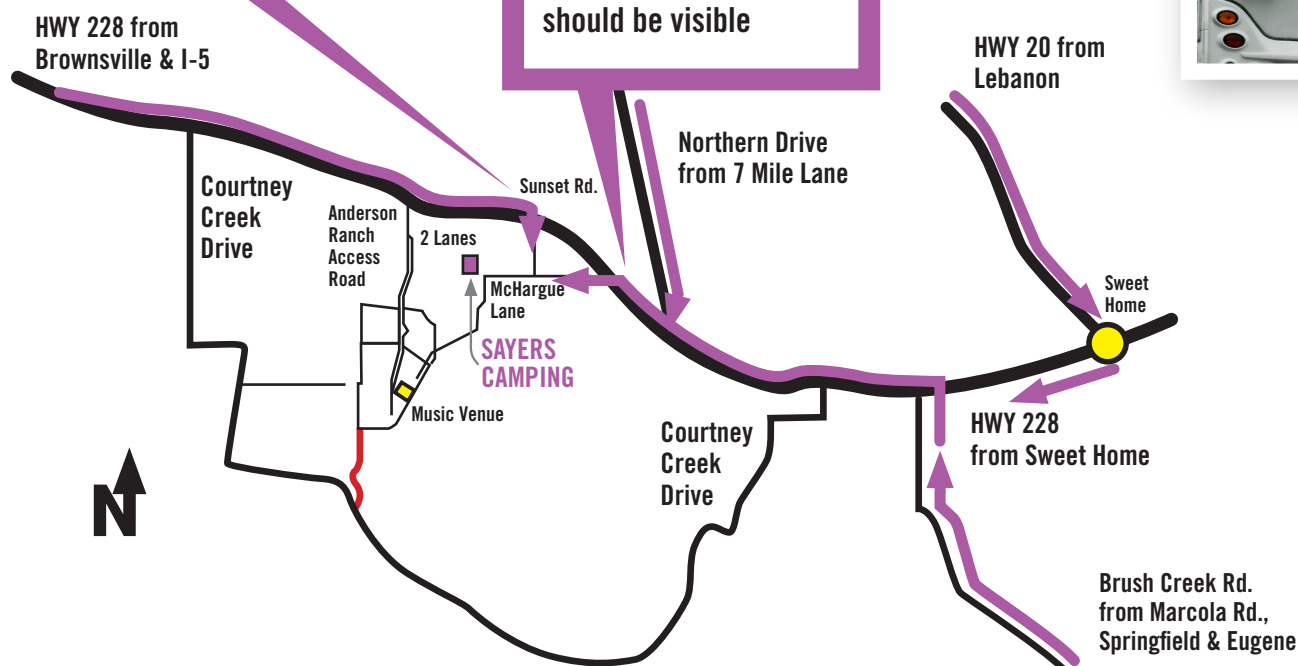

Camping Placards

Enclosed are your site placards (site section, row and space I.D.). These must be displayed on the front and rear end of your RV/vehicle so they can be seen from the lane (see image at right). Displaying or having your placards available as you arrive will help volunteers get you to your site faster.
